FAQ'S

WHERE WE SET UP?

We have our preferred areas to set-up, and will always try and choose the most beautiful and less crowded area, in consideration of the tides if at the beach. Please note, in summer months public spaces are very busy! If you have a desired spot in mind, or a garden at home for the gathering we will quote accordingly on the distance.

WHAT IF IT RAINS? (OR, MORE LIKELY, IS WINDY, HELLO SOUTH EASTER!)

For public set-ups, we have a few options for wind-free beaches, but that south easter wind can find a way to even the most sheltered spots - we will always try our best. If rain or strong wind is forecast for your picnic, you have up to 48 hours prior to the event date to decide if you want to make alternate arrangements at an indoor location or reschedule the picnic. On booking a Souk picnic we require a 50% non-refundable deposit, but should you need to reschedule your picnic you can do so to another date. We will not set-up if the weather is unfavourable as our stock can get damaged.

HOW LONG CAN I PICNIC FOR?

We are pretty flexible on duration, but typically a picnic setting can be enjoyed for 3-5 hours. Your end time needs to please be set in advance so that we can plan accordingly. For safety reasons, our team need to begin breakdown just after sunset. If our team arrive and you need more time, a wait time of R250 per hour will incur.

ALCOHOL IS NOT PERMITTED IN PUBLIC SPACES

Please note, alcohol is not permitted in public areas in Cape Town. The police do patrol the beaches, and administer fines if alcohol is found.
